

Strohschein Law Group has a new best friend!

Annie

We are excited to introduce our newest staff member, Annie! She is a six year old Wheaten Terrier (hypo-allergenic breed) that Linda adopted from a local rescue shelter. Her disposition is gentle and sweet and she loves to meet our daily visitors. Her favorite color is green, like her doggy bed found under Linda's desk, and she enjoys sharing her time among the staff throughout her busy day. She will occasionally find a seat in one of the side chairs to either get a better view or just encourage a little attention. If you aren't a dog person, no worries! Just let us know before you plan to arrive and Annie will gladly take a nap on her cozy doggy bed!
