## Care Coordination Services

*Let us shine some light on your path.*

Sometimes life catches us in the middle, managing things with our own families while trying to oversee care for our aging loved ones. Strohschein Law Group understands the stretch and offers the services of a Certified Care Coordinator to support you one-time or for an entire year. Having someone on your side to help you navigate the changes ahead for a loved one with declining health and fitting the pieces together can make all the difference! *See other side for how we can help.*

## Our Care Coordinator will:

- Listen to your needs from a care perspective,
- Identify helpful resources based on your care goals,
- Connect you with reputable care providers,
- Provide you with telephone support as needed,
- Support you in your care-giving role and offer helpful resources,
- Educate you, your family and your loved one about disease processes and options to support a good quality of life,
- Make specific recommendations for you to consider, and
- Empower you with important questions to ask along your care journey.

Strohschein Law Group's experienced team is here to guide you in the right direction no matter where your care journey takes you.
