## Strohschein Law Group is Moving

*\*July 23, 2015 Strohschein Law Group is relocating to their new office location: 455 Dunham Rd., #200, St. Charles, IL 60174*

The Strohschein Law Group brings more than experience in the area of elder law. They also have knowledge of the senior population and their unique needs as well as the myths related to competence and aging. They are aware of the physical and mental difficulties that often accompany the aging process. Because of their broad knowledge base they are able to more thoroughly address the legal needs of their clients. For example, when planning an estate, an elder law attorney would take into consideration the health of the person or couple, the potential for nursing home care and the wishes and concerns of the person or couple if that event were to occur. If need arises, the elder law attorney will associate other legal experts. Elder law covers all aspects of planning, counseling, education, and advocating for clients. Elder law attorneys are a resource to their clients because they understand their clients' needs may extend beyond basic legal services and stay informed and connected to the local networks of professionals who serve the elder population.
