Complete this form only if you do not want Strohschein Law Group to use AI tools in your matter. I do not permit Strohschein Law Group to use AI tools in connection with my matter, except for System-Wide Processing. I understand that:

- System-Wide Processing (firm administrative, security, and operational functions) cannot be turned off and will continue;
- This restriction may affect how quickly some work can be completed, and in matters billed hourly, additional time is billed at the firm's normal rates; and
- I may change this preference at any time by providing written notice.
